

Jade Of All Trades Newsletter

WELCOME TO THE FIRST EVER JADE OF ALL TRADES NEWSLETTER!

We have officially been open for 10 months and are so grateful to everyone who has visited and supported us as we got going.

The expansion is officially open & shoppable, but please excuse our appearance as we decorate & add in some magic.

It's been an incredibly fulfilling experience, and we can't wait to see how things will grow and change to support our artists & community!

Have old art supplies, magazines, toilet/towel rolls, or egg cartons laying around? We'd love to take them off your hands! Up-cycled and donated materials allow us to keep our costs low for classes & workshops as well as help us sustainably stock the used art supply shop we're looking to open this summer- stay tuned!
